

**MIANZ INTERNATIONAL COLLEGE**  
**YEAR BOOK**  
**CONVOCATION 2024**

## MESSAGE FROM THE CHAIRMAN

As we unfurl the pages of another vibrant year at MI College, I am enveloped with a profound sense of pride and gratitude. The year 2023 has been a testament to our resilience and dedication, as we continue to emerge as a bastion of knowledge and innovation.

It is with a heart brimming with joy that I reflect on our journey. Since receiving our college status on 21st April 2014, we have not only expanded our horizons across the archipelago but also within the realms of educational excellence. The unyielding spirit of our Rector, the dynamic leadership team, and the zealous student body have been the quintessential cogs in our wheel of continuous progress.

MI College has always stood as a microcosm of our nation's dreams – a place where aspirations take flight on the wings of hard work and determination. Our commitment to nurturing a fertile academic environment has borne fruit, as seen in the laurels our students and faculty have garnered. As MI morphs into 'MY', it signifies more than a college; it becomes a cherished chapter in the lives of those who pass through its halls.

This year, as we prepare to celebrate the 10th anniversary of our esteemed college, we stand in the glow of our achievements. Yet, we are not complacent. We forge ahead, embarking on new initiatives that echo our mission of imparting education that transcends the traditional boundaries. Our foray into agro-entrepreneurship is a testament to our enduring quest to diversify and enrich our curriculum, staying attuned to the evolving economic landscape.

To our graduates, you are the embodiment of our college's ethos. As you stand on the precipice of a new beginning, remember that the roots of education are bitter, but the fruit is sweet. The challenges you have faced have sculpted you into individuals ready to contribute to our nation's fabric. MI College is a part of you, as much as you are a part of this institution's legacy.

As we look towards the horizon, let us continue to be the torchbearers of innovation and progress. Together, we will scale new heights and etch our name in the annals of history, not just as an educational institution, but as a beacon of hope and excellence for the nation.

Thank you, beloved Mianz family, for another extraordinary year. Let us move forward with determination and belief, embracing the principles that MI College embodies. Here's to a 2024 replete with accomplishments and purpose.

MI College is your college and MI College is Qaumattakaa.

Dear Students, we are, because you are. Ubuntu!

Ahmed Mottaki  
Founder, Chairman  
MI College Board

## MESSAGE FROM THE RECTOR

As we gather to celebrate the culmination of another remarkable academic year, it is with immense pride that I, as your Rector, extend my heartfelt congratulations to the graduating class of 2024 at Mianz International College. This year, we have not only continued our tradition of excellence but have soared to new heights, reflecting our unwavering commitment to nurturing the leaders of tomorrow.

Our journey from our humble beginnings in 2006 to now being a beacon of knowledge across 13 islands is a testament to our collective vision and perseverance. The introduction of innovative programs and the expansion of our campuses underscore our dedication to providing unparalleled opportunities for our students. Our efforts to blend traditional values with modern educational practices have prepared you, our graduates, to thrive in a rapidly evolving world.

This year, as we bid farewell to another batch of bright minds, I urge you to carry forward the legacy of Mianz International College with pride and determination. The world awaits your contributions, and I have no doubt that you will rise to the occasion, armed with the knowledge, skills, and values instilled in you during your time with us.

Let this graduation not be the end, but a commencement of a lifelong journey of learning and discovery. Embrace the challenges ahead with the same zeal and passion you have shown during your years at MIC. Remember, it is through continuous learning and adaptation that we remain relevant and make lasting impacts.

I extend my gratitude to our esteemed faculty, dedicated staff, and particularly Mr. Ahmed Mottaki for their unwavering support and guidance. Your collective efforts have been pivotal in molding the future of our graduates and the trajectory of Mianz International College. Additionally, I want to express my profound appreciation to our branch managers, whose diligence and leadership have significantly contributed to our collective achievements and the broadening of our educational reach. Your hard work and commitment are truly invaluable.

To our graduates, as you step into the next chapter of your lives, remember that you are the architects of your destiny. May you always find success and fulfillment in your endeavors. In Sha'Allah, your journey from here will be filled with growth, prosperity, and contributions that make a difference in the world.

Wishing you all a bright and promising future.

## VISION

We will be a first choice college, inspiring excellence and transforming lives, through organization and Innovation. We will be a learning, Socially responsible community, engaging our students in thinking critically and acting purposefully.

## MISSION

To collaboratively prepare socially conscious planners, organisers and critical thinkers who act with purpose, innovate and excel.

## CORE VALUES

ORGANIZATION

LONG TERM PLANNING

ANALYSIS AND EVALUATION

INNOVATION

EXCELLENCE

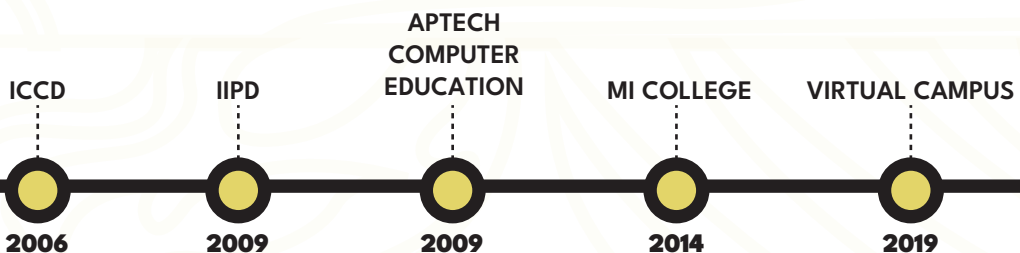

## COLLEGE PROFILE

MI College, formerly known as IIPD, embarked on its educational journey on July 20, 2006. With the guiding principle of "Inspiring Excellence," the institution originally began as the International Centre for Career Development (ICCD) with modest beginnings: 19 students, two classrooms, a single faculty member who was also the co-founder, and two part-time lecturers. Gaining approval from the Maldives Qualifications Authority (MQA) for Cambridge International Diploma courses in Business and English Language marked the start of ICCD's expansion.

As the student body grew, so did the faculty. By 2009, the institution had expanded its campus and undergone a rebranding to become the International Institute for Professional Development (IIPD), under the parent company Mianz Pvt. Ltd. This rebranding represented a significant step forward in its mission to be a leading educational institution, dedicated to inspiring excellence and transforming lives through organization, innovation, and a commitment to social responsibility and critical thinking.

The recognition by Margareta Funder, Manager of ITC, allowed IIPD to become a franchise of Aptech Computer Education, India's largest training company. This

partnership led to the opening of an additional campus in Male' City for Information Technology Education. In the span of three years, IIPD significantly increased its course offerings and student enrollment, leveraging opportunities for growth and expansion into the islands.

The transition into a fully-fledged college involved substantial enhancements in infrastructure and academic capabilities, a collaborative effort led by the Senior Management Team, Chairman Mr. Mottaki, and Principal Mr. Nizam. With the approval from the Ministry of Higher Education on April 21, 2014, Mianz International College, now widely known as MI College, was established, appointing its first Rector, Dr. Aamaal Ali.

Currently, with 16 centers across the Maldives, over 2300 students, and more than 100 staff members, MI College continues to expand and evolve, maintaining a clear focus on its mission. The college aims to increase access to higher education and empower the next generation by providing quality education that meets the expectations of future generations. With the establishment of a virtual platform, MI College addresses the geographical challenges of the Maldives, allowing students to participate in classes remotely from their own islands, thus enhancing educational accessibility and opportunity.

## NATIONAL PRESENCE

## CAMPUSES & OUTREACH CENTRES

At MI College, we blend our curriculum with a broad array of hands-on, socially significant, and eco-conscious activities, offering students a distinctive learning platform. This approach not only prepares them for the next steps in their lives—be it further education, career pursuits, or personal development—but also ensures access to quality higher education across the country, beyond the confines of the capital city. With seven fully equipped campuses spread across six different atolls and nine outreach centers in eight atolls, our educational offerings range from Certificate 3 to Master's degrees.

MI College is dedicated to fostering excellence and making a positive impact on lives through our widespread campuses across the island nation. Our Head Office, located in the heart of Male' within Maafannu Niyadthurumaage, features spacious and well-equipped classrooms that create an ideal learning environment. Supported by a remarkable team of deans and lecturers, we strive to provide a welcoming and supportive atmosphere for all our students.

### HULHUMALE CAMPUS

MI College Hulhumale' campus was inaugurated on June 1st, 2015, initially welcoming a small number of students. From its inception, the institution has seen significant growth, and by the close of 2023, it boasted over 200 students enrolled in a variety of programs ranging from Certificate III to master's level across four faculties.

### **N. Holhudhoo Campus**

N. Holhudhoo is rapidly evolving as an island within the Southern Atoll. The Outreach Centre there has seen remarkable growth in a relatively brief period. Initially founded in 2015 with 50 students, it now boasts over 100 students participating in various programs, from certificate level 1 through to Master's Degree. This expansion has enabled the campus to offer advanced educational opportunities to the entire Noonu atoll.

### **Sh. Milandhoo Campus**

N. Holhudhoo is rapidly evolving as an island within the Southern Atoll. The Outreach Centre there has seen remarkable growth in a relatively brief period. Initially founded in 2015 with 50 students, it now boasts over 100 students participating in various programs, from certificate level 1 through to Master's Degree. This expansion has enabled the campus to offer advanced educational opportunities to the entire Noonu atoll.

### **Addu City Campus**

Since its establishment in 2014, the Addu Campus now accommodates approximately 150 students across a spectrum of courses, ranging from certificate to master's level, specifically in the fields of Business, Education, and Information Technology

### Kulhudhuffushi City Campus

Located in Kulhudhuffushi, the capital city of Haa Dhaal Atoll, the campus offers a range of programs from certificate to master's level, with a focus on education and business-related fields. Initially starting with fifty students, the campus now educates over 200 students, demonstrating annual growth in enrollment.

### R. Dhuvaafaru Campus

Located in R. Dhuvaafaru campus was opened in 2022 having shifted from the island of Meedhoo in the same atoll. Dhuvaafaru campus already has almost 50 students studying various programs.

### Lh. Hinnavaru Campus

Lh. Hinnavaru Outreach Centre was established in March 2019, with over forty students studying in several courses.

### K. Kaashidhoo Campus

K. Kaashidhoo Outreach Centre was inaugurated on March 2029.

### Dh. Kudahuvadhoo Campus

The Dh. Kudahuvadhoo Outreach Centre opened its doors on November 1, 2015

### L. Gan Campus

Currently, over 100 students are enrolled in the programs provided by the Outreach Centre in L. Gan, which was established in 2012. The Centre specializes in offering programs in Business, Education, and Information Technology.

### GA. Vilingili Campus

The MI College Ga. Vilingili Campus is presently home to 150 students engaged in various programs across multiple levels, primarily in the fields of Education, Business, and Information Technology.

### GDh. Thinadhoo Campus

The Thinadhoo campus, situated in GDh Atoll Thinadhoo, serves over a hundred students with its range of courses. Since its inception in January 2015, it has become well-regarded among the island's residents.

# FACULTIES

## FACULTY OF BUSINESS, MANAGEMENT & HOSPITALITY

The Faculty of Business Management and Hospitality provides a comprehensive selection of courses, ranging from Level 3 certificates to Masters degrees. Aspiring to be the nation's premier source of education in accounting, finance, marketing, and business-related fields, the Faculty of Business Management Hospitality is dedicated to producing socially aware, strategically minded individuals who are equipped to plan, organize, and critically analyze with the intent to innovate and excel in their pursuits.

## FACULTY OF FOUNDATION STUDIES

The Faculty of Foundation Studies provides Pre-University courses for students aiming to embark on a bachelor's degree journey. The foundation-level programs offered by the FFS are tailored to equip students with the necessary qualifications endorsed by the MQA, ensuring they meet the prerequisites for higher education.

# FACULTIES

## FACULTY OF LANGUAGE, EDUCATION & ARTS

The Faculty of Foundation Studies provides Pre-University courses for students aiming to embark on a bachelor's degree journey. The foundation-level programs offered by the FFS are tailored to equip students with the necessary qualifications endorsed by the MQA, ensuring they meet the prerequisites for higher education.

# FACULTIES

## FACULTY OF SCIENCE & INFORMATION TECHNOLOGY

The Faculty of Science and Information Technology offers programs in Information Technology, Graphics and Multimedia, Robotics and Automation, Agriculture, and Software Engineering, including newly launched Master's degrees. We've also established the School of Robotics and the School of Agriculture to provide in-depth education in these areas. The School of Robotics aims to immerse students in the fundamentals of robotics, combining electronics and computer programming. Our project introduces school students nationwide to the basics of computer programming, electronics, mechanics, and sensor use, ensuring they gain a solid foundation in these critical fields from an early age.
